

## **A BIKER IS GONE**

**A brother, a friend  
If needed, he was there  
Rode many miles together  
Lots of memories to share**

**His loyalty was genuine  
As strong as an oak  
A sense of humor unmatched  
Always loved a good joke**

**Greeted brothers with a hug  
A laugh and a smile  
Thoroughly enjoyed living  
The biker life-style**

**Riding down the road  
Will never seem the same  
Like a once wild mustang  
Now broken and tame**

**His journeys and travels  
Took him many places  
Embarking on this final one  
We honor him with graces**

**As life has ended here  
His spirit must transcend**

**We will never forget him  
Our brother, our friend**
